

Ranching 2018 Managing in Tough Times

with Ian Mitchell-Innes

grow

share

prosper

What's Covered

- How to maintain and improve animal performance
- Reducing costly inputs and improving profitability
- Grow more and better grass to capture more energy
- Capture rainfall more effectively and reduce the effects of drought
- Marketing principles that give you an unfair advantage
- Sell-Buy marketing to limit dependence on cattle prices
- Real life examples of managing large herds and regenerating land with animal impact
- How adaptive planned grazing can be intensive, but not labor intensive

Registration

Registration is \$100 per person (\$50 for Texas Panhandle residents). Lunch is included both days. Online registration closes May 13, 2018.

Register soon as space is limited and accurate headcounts are needed for lunch.

Meet the Mob Grazing and Ranching Experts
