validation date
available so mark your
calendar.**

Clifford Oldham Salute to Excellence

Mr. Oldham received the Texas 4-H Youth Development Salute to Excellence award. His dedication, commitment, and the difference he makes in the lives of 4-H does not go unseen. Clifford Oldham is one of the cofounders of the Wheeler County 4-H Shooting Sports project that was founded in 2004. Clifford's leadership and shooting skills have helped to promote the growth of the program from 5 youth participants the first year to over 60 youth now. Clifford is an outstanding man who truly works hard to help improve the shooting sports program in every way he can. In 2015 Clifford helped begin raising money in order to build a shooting facility here in Wheeler County for our 4-H youth. In 2016 the facility was complete which includes 3 trap ranges and a club house. Clifford is an outstanding leader who has dedicated himself to the Wheeler County shooting sports program for the last 16 years. Clifford has had a tremendous impact on our 4-H shooting sports program. His dedication to the program is second to none, he has selflessly given up his own time and money to help support and build the program from scratch. Without Clifford our shooting sports program would be nowhere close to what it is today. His time and effort have left a lasting impact on not only the program but every 4-H member who has participated in it. Our youth have not only learned about shooting and marksmanship from Clifford but have learned leadership skills that will last a lifetime.

IMPORTANT DATES

June 10th - Sweet Affair

July 23rd -24th - Chef School

July 27th - Report, All Around and
Clover Forms due

August 3rd -Craft Camp

Photography Spot light Monthly County Photography Contest

Each month, we will spotlight a photography category and accept contest entries at the Extension Office. (At the end of the month, the winner will receive a prize!) Each participant may enter one picture and it must pertain to the category. Entries can be emailed to wheeler-tx@ag.tamu.edu or dropped off at the office. Remember to save your photos so that you can enter them in future photography contests! For more information on the 4-H Photography contest, visit: <https://texas4-h.tamu.edu/projects/photography-video/>

Deadline to email pictures June 25th

June Category: Night

Photos that capture objects in or against the night sky. Photos can include objects such as buildings, landscape features, people, light trails, etc. seen at night. Object seen in the night sky such as stars or planets are also acceptable. The use of a telescope is permitted.

Examples: Milky Way, meteor shower, moon, cityscape at night

Not Allowed: Sunset and sunrise photos
